

WELLNESS CHAIR ELITE

Those Wellness chairs are classics when it comes comfort and quality for professional employment. Thanks to its weatherproof, air permeable KARATEX fabric the Bermuda- series articles can stay in the open for length of the season. They are extremely hard wearing and have been tried and tested in their use environment. Easy to clean with garden hoses and soapy water. The covering is available in many different modern designs.

Warranty

3 year guarantee against any breakage caused to the iron frame, not including damage through being careless. This product is made from thick iron tubes in combination with the high-class textilene fabric "Karatex". Those wellness chairs have a very long life span.

- it is very durable
- it is weatherproof
- the special textilene fabric guarantees coolness in the summer heat as well as quick drying after a rain shower
- it is comfortable - no cushion necessary - and easy to clean

Care instructions

This wellness chair is equipped with „KARATEX“, a high-tech polyester fabric coated with plastic:

- it is weatherproof
- it is very durable (doesn` t stretch out of shape)
- it is breathable
- the colour doesn` t fade
- it is easy to clean with water

When very dirty use a mild, non-alkali and chlorine cleaning agent, suitable for plastic material.
